FLAVIKER

La materioteca Flaviker non può rinunciare all'effetto marmo e riscopre i "Classici" a partire da una selezione accuratissima di lastre e venature.

La palette cromatica comprende la luminosità dei bianchi ed il lusso avvolgente dei neri, con l'intervento di nuances neutre e calde che permettono di abbinare Supreme Evo a diverse superfici, in un raffinato esercizio di progettazione creativa.

As a tribute to the timeless beauty of marble, Flaviker is revisiting classic marble surfaces with a collection of meticulously selected slabs and veins. The colour palette ranges from luminous whites through to warm, opulent blacks and includes softer neutral tones that allow Supreme Evo to be combined with different surfaces in a sophisticated exercise in creativity.
